The Best Speeches of Winston Churchill-Winston Churchill

We Shall Fight on the Beeches-Winston Churchill 2007

Never Give In!-Sir Winston S. Churchill 2013-10-14 A great statesmen, a masterful historian whose writings won him the Nobel Prize for literature and a war-time leader with few peers, Sir Winston Churchill is remembered perhaps most clearly today for the sheer power of his oratory: the speeches that rallied a nation in its darkest hour and steeled that nation for victory against the might of the Fascist powers. Never Give In! celebrates this oratory by gathering together Churchill's most powerful speeches from throughout his public career. Carefully selected by his grandson, this collection includes all his best known speeches - from his great war-time broadcasts to the "Iron Curtain" speech that heralded the start of the Cold War - and many lesser known but inspirational pieces. In a single volume Never Give In! provides a powerful testimony to one of the great public figures of the 20th century.

We Shall Fight on the Beaches-Sir Winston Spencer Churchill 2007

We Shall Fight on the Beaches-Jacob F. Field 2013-10-02 Prefaced by brief historical and biographical introductions, the examples in this book show how words can be used to inspire, to comfort, to move, or to enthuse even the most seemingly hard-bitten of listeners. From rallying cries such as Garibaldi's 'To arms, then, all of you!' and Chou En-lai's 'We must hold aloft the great red banner' to sombre statements such as Sheikh Mujibur Rahman's 'This time the struggle is for our freedom', each extract gives us an insight into the hardships of war and the fight for courage. Spanning over two millennia and with speeches from across the globe, We Shall Fight on the Beaches is a book to inspire and inflame the reader.

The Roar of the Lion-Richard Toye 2013-08-22 Describes the reactions to Churchill's wartime speeches, documenting that there was criticism and dissent as well as the perceived mass enthusiasm by the people of Great

Britain.

Churchill by Himself-Winston S. Churchill 2013-09-19 Quotations by the great statesman who helped lead Britain through two world wars: "Magisterial . . . Should be in the library of every Churchill aficionado" (American Spectator). We shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and in the streets, we shall fight in the hills; we shall never surrender . . . Millions have been moved by these words—and by the hundreds of speeches given by Winston S. Churchill to rally the British public, spur its government to armament against Hitler, and defend the causes for which he believed. Churchill by Himself is the first collection of quotations from a leader who had as much talent for wit as he had for inspiration and exhortation. Edited by renowned Churchill scholar Richard Langworth, this volume is the definitive collection of important quotes from one of the twentieth century's most persuasive and brilliant orators, whose writings earned him a Nobel Prize in Literature in 1953.

Great Speeches of the 20th Century - We shall fight on the beaches-Guardian, The 2007

Winston Churchill-Ryan Patterson 2016-11-23 "We shall fight on the beaches, we shall fight on the landing grounds, we shall fight on the fields... we shall never surrender." - Winston Churchill Do you want to know why WINSTON CHURCHILL was one of the most Successful and Inspirational Leaders of the 20th Century? In Winston Churchill: A Life of Inspiration, we look at both Churchill's life in the military and his much-celebrated life in politics to better understand how he became one of the greatest British personalities in modern history. Was it because of his military achievements? Was it because he came from an aristocratic family? Was it because he convinced the world that Hitler must be defeated? Personal Information You've Never Known Before This book explains Churchill's roots and how it shaped his career later in life. Without much prodding, it was as if his life was meant to be in the military and political arena right from the start. A Political Career in Detail From his first attempt to be elected for a seat in the Parliament, to his iconic role as Prime Minister, this book explains how Churchill used his power to convince his fellow Brits that they must all come together to fight the oncoming German onslaught. He had single-handedly awoken the British spirit and eventually, the world. Here's what else you can learn from this book: * Churchill's early life and family history * His first years in school which shaped him as a "true fighter" * Churchill's ambitions and his efforts to achieve them * Churchill's life in the Military * Churchill's Political Career * His biggest successes and failures * His well-known habits and peculiarities that made people believe Churchill was just like everybody else and as a result, people loved him even more * And many more! The Splendid and the Vile-Erik Larson 2020 Bleak Expectations -- The Rising Threat -- A Certain Eventuality -- Dread -- Blood and Dust -- The Americans -- Love Amid the Flames -- One Year to the Day -- Epilogue.

Winston Churchill and Mackenzie King-Terry Reardon 2012-10-06 Born just two weeks apart in 1874, Winston Churchill and William Lyon Mackenzie King took different paths to achieve their objective of a

parliamentary career, Churchill through military exploits and King via academic excellence. When he became prime minister, King realized that Canada had to progress from a subservient position to an independent one. Thus, when the Second World War broke out, Canada's parliament made its own decision to be a participant. King had been highly critical of Churchill's vehement anti-Nazi stance in the 1930s. However, when Churchill became prime minister, King and Canada gave him whole-hearted support. King changed his opinion of Churchill, and this developed into almost hero worship as the war progressed. Not just a chronicle of the relationship between these two men during the 50 years they knew each other, this book also examines their influence on the progress of their countries during that period.

We Shall Go on to the End-Winston Churchill 1941

We Shall Fight on the Beaches, June 4 1940-Winston Churchill 2007

Freedom or death-Emmeline Pankhurst 2020-12-08 "Freedom or death" by Emmeline Pankhurst. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

We Shall Go on to the End, We Shall Fight in France, We Shall Fight on the Seas and Oceans ... We Shall Never Surrender, and Even If ... this Island Or a Large Part of it Were Subjugated and Starving, Then Our Empire Beyond the Seas ... Would Carry on the Struggle, Until, in God's Good Time, the New World ... Steps Forth to the Rescue and Liberation of the Old-Winston Churchill 1941

Churchill and Hamilton-Ryan Patterson 2018-01-12 "We shall fight on the beaches, we shall fight on the landing grounds, we shall fight on the fields... we shall never surrender." - Winston Churchill "Those who stand for nothing fall for anything." - Alexander Hamilton Do you want to know why WINSTON CHURCHILL and ALEXANDER HAMILTON were two of the most Successful and Inspirational Leaders of the 20th Century? The TITANS BUNDLE: Lives of Inspiration is a rare collection that includes two great manuscripts depicting the life stories of two of the most successful and inspirational leaders that the world has ever seen. In "Winston Churchill: A Life of Inspiration", we look at both Churchill's life in the military and his much-celebrated life in politics to better understand how he became one of the greatest British personalities in modern history. Was it because of his military achievements? Was it because he came from an aristocratic family? Was it because he convinced the world that Hitler must be defeated? In "Alexander Hamilton: A Life of Inspiration", we look at Hamilton's early life and family history, his life in the military and politics and how it shaped his career later in life. From his birth in the British West Indies to his remarkable career in politics, this book explains Hamilton's journey towards becoming a champion of the Constitution, author of the Federalist Papers, a delegate to the Continental Congress and also the first secretary of the Treasury. Here's what else you can learn from this book: * Churchill's and Hamilton's early life and family history * Churchill's first years in school which shaped him as a "true fighter" * Hamilton's Early Education and Writings * Hamilton's life in the Military and the American Revolution * Churchill's ambitions and his efforts to achieve them * Churchill's life in the Military * Their Political Career * Their biggest successes and failures * Churchill's well-known habits and peculiarities that made people believe Churchill was just like everybody else and as a result, people loved him even more * Hamilton's death by the bullet * And many more! We Will All Go Down Fighting to the End-Winston Churchill 2010 This collection of speeches from one of the great modern orators includes Churchill's famous words on the declaration of war with Germany, as well as his

rousing call to the British in June 1940 after Dunkirk, and his immortal tribute to the young men fighting the Battle of Britain.

Churchill and Orwell-Thomas E. Ricks 2017-05-23 A New York Times bestseller! A New York Times Book Review Notable Book of 2017 A dual biography of Winston Churchill and George Orwell, who preserved democracy from the threats of authoritarianism, from the left and right alike. Both George Orwell and Winston Churchill came close to death in the mid-1930's—Orwell shot in the neck in a trench line in the Spanish Civil War, and Churchill struck by a car in New York City. If they'd died then, history would scarcely remember them. At the time, Churchill was a politician on the outs, his loyalty to his class and party suspect. Orwell was a mildly successful novelist, to put it generously. No one would have predicted that by the end of the 20th century they would be considered two of the most important people in British history for having the vision and courage to campaign tirelessly, in words and in deeds, against the totalitarian threat from both the left and the right. In a crucial moment, they responded first by seeking the facts of the matter, seeing through the lies and obfuscations, and then they acted on their beliefs. Together, to an extent not sufficiently appreciated, they kept the West's compass set toward freedom as its due north. It's not easy to recall now how lonely a position both men once occupied. By the late 1930's, democracy was discredited in many circles, and authoritarian rulers were everywhere in the ascent. There were some who decried the scourge of communism, but saw in Hitler and Mussolini "men we could do business with," if not in fact saviors. And there were others who saw the Nazi and fascist threat as malign, but tended to view communism as the path to salvation. Churchill and Orwell, on the other hand, had the foresight to see clearly that the issue was human freedom—that whatever its coloration, a government that denied its people basic freedoms was a totalitarian menace and had to be resisted. In the end, Churchill and Orwell proved their age's necessary men. The glorious climax of Churchill and Orwell is the work they both did in the decade of the 1940's to triumph over freedom's enemies. And though Churchill played the larger role in the defeat of Hitler and the Axis, Orwell's reckoning with the menace of authoritarian rule in *Animal Farm* and 1984 would define the stakes of the Cold War for its 50-year course, and continues to give inspiration to fighters for freedom to this day. Taken together, in Thomas E. Ricks's masterful hands, their lives are a beautiful testament to the power of moral conviction, and to the courage it can take to stay true to it, through thick and thin. Churchill and Orwell is a perfect gift for the holidays!

We shall fight on the beaches-Sir Winston Churchill 2013

Darkest Hour-Anthony McCarten 2017-11-07 From the acclaimed novelist and screenwriter of *The Theory of Everything* comes a revelatory look at the period immediately following Winston Churchill's ascendancy to Prime Minister—soon to be a major motion picture starring Gary Oldman. "He was speaking to the nation, the world, and indeed to history..." May, 1940. Britain is at war. The horrors of blitzkrieg have seen one western European democracy after another fall in rapid succession to Nazi boot and shell. Invasion seems mere hours away. Just days after becoming Prime Minister, Winston Churchill must deal with this horror—as well as a skeptical King, a party plotting against him, and an unprepared public. Pen in hand and typist-secretary at the ready, how could he change the mood and shore up the will of a nervous people? In this gripping day-by-day, often hour-by-hour account of how an often uncertain Churchill turned Britain around, the celebrated Bafta-winning writer Anthony McCarten exposes sides of the great man never seen before. He reveals how he practiced and re-wrote his key speeches, from 'Blood, toil, tears and sweat' to 'We shall fight on the beaches'; his consideration of a peace treaty with Nazi Germany, and his underappreciated role in the Dunkirk evacuation; and, above all, how 25 days helped make one man an icon. Using new archive material, McCarten reveals the crucial behind-the-scenes moments that changed the course of history. It's a scarier—and more human—story than has ever been told. "McCarten's pulse-pounding narrative transports the reader to those springtime weeks in 1940 when the fate of the world rested on the shoulders of Winston Churchill. A true story thrillingly told. Thoroughly researched and compulsively readable."—Michael F. Bishop, Executive Director of the International Churchill Society

In Exile-Pawel Andruszkiewicz 2020-10-07 Book 21 is both a historical and fictional account of Great Britain's Darkest Hour at the onset of WWII. It completes the stories of four separate family members unknown to each other and their efforts to stop Hitler and his Nazi machine. It completes the stories of Colonel Jacques Bardot and

Major Raul Andruszkiewicz of the Deuxième Bureau. It tells of the triumphs and sacrifices of Tadeusz Kosciuszko Andruszkiewicz and Sgt. Tadeusz Andruszkow as pilots in the 303 Squadron. Flight Lt. Robert Andruszkiewicz in the 54 Squadron is remembered for his role in the Battles of France and Britain. It tells of the heroic voyages to and from France by Robert King, his son James, and their mate Roger Thorn in Operation Dynamo. And how hundreds of good English men came to save 380,000 soldiers trapped at Dunkirk. The loyalty, love, and devotional belief in their country were heard in the words of their Prime Minister. "We shall go on to the end. We shall fight on the seas and oceans, we shall fight with growing confidence and growing strength in the air, we shall defend our Island, whatever the cost may be, we shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and in the streets, we shall fight in the hills; we shall never surrender." Winston Churchill

The Bold and the Free-Shpetim Lezi 2015-03-10 Once, Winston Churchill said: "We shall defend our island, whatever the cost may be, we shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and in the streets, we shall fight in the hills; we shall never surrender." This book is to defend Albania's history. At the end of WWI, Edith Durham wrote a letter to her Albanian friend stating the opinion of Europe. "In the eyes of the vast majority of people in Europe, Albania counts only as a good position for strategy and commerce. The Albanians themselves count as less than nothing and have neither rights nor history. That is Europe's opinion. And the Albanians would be sacrificed without hesitation in order to make a peace that was satisfactory to the powers in general. No country has ever been in or is in a more dangerous position." This book tells four stories with Albanians at the center of them: Constantine the Great, Scanderbeg the Hero of Europe, Why President Wilson Saved Albania, and At Taliban's Gunpoint.

The River War-Winston Churchill 1899 In The River War, Winston Churchill recounts the operations directed by Lord Kitchener of Khartoum on the Upper Nile from 1896 to 1899 that led to England's reconquest of the Egyptian Sudan. Churchill was present at the decisive battle of Omdurman, and he wrote this book while he was still a young cavalry officer.

Speeches that Changed the World-Simon Sebag Montefiore 2015-05-12 Comprehensively updated with many new speeches including Earl Spencer's lament to "The extraordinary and irreplaceable Diana", Nikita Khrushchev's secret speech of 1956 signalling the beginning of the end of Stalinist Russia, Patrick Pearse's rousing funeral oration that fanned the flames of the Easter Rising, Kevin Rudd's historic apology to Australia's mistreated Aborigines and Barack Obama's momentous US election night victory speech. Alongside these are the finest war cries of Winston Churchill, Martin Luther King's prophetic "I have a dream" and "I've seen the promised land" speeches, the inspiring words of JFK and impassioned pleas from Nelson Mandela—the first at his trial in 1964 and the second on his election as president of South Africa in 1994. In addition are historic speeches from Elizabeth I, Charles I, Oliver Cromwell, George Washington, Napoleon Bonaparte, Abraham Lincoln, Emmeline Pankhurst, Mahatma Gandhi, Vladimir Lenin, Neville Chamberlain, Adolf Hitler, Joseph Stalin, Franklin D. Roosevelt, Charles de Gaulle, General George S. Patton, J Robert Oppenheimer, Mao Zedong, Malcolm X, Richard M. Nixon, Pope John Paul II, Vaclav Havel, Elie Wiesel, Mikhail Gorbachev and many other great historical figures. Speeches that Changed the World presents over 50 momentous and thought-provoking speeches from throughout history. Complete with a potted biography of each speaker, and telling the story of why each oration was significant and what happened as a result, this is a gripping history of the world told through its greatest and most impassioned speeches.

Never Surrender-Michael Dobbs 2007-09-01 From Michael Dobbs, author of the book that inspired the smash hit Netflix series House of Cards, Never Surrender finds newly-elected Prime Minister Winston Churchill in a personal confrontation with Adolf Hitler. The battle begins on Friday, May 10, 1940, when Hitler launches a devastating attack that within days will overrun France, Holland and Belgium and bring Britain to its knees at Dunkirk. Never Surrender examines Churchill's courage and defiance and his ability to lead a nation during three of the most crucial weeks in its history. Without the physical forces necessary to stave off German attack, Churchill uses the force of words to stand in Hitler's way, to show that no accords will be made. Dobbs is at his best in Never Surrender, a novel about the remarkable courage and defiance needed to save a nation at risk. Praise for Michael Dobbs, bestselling author of House of Cards, the book that inspired the Netflix series starring

Kevin Spacey: "Dobbs is an author who can bring historical happenings to life." —The Times "Dobbs has done a brilliant job in evoking the drama and despair of Britain hovering on the edge of the abyss." —Sunday Express

Churchill-Winston Churchill 2012-06-05 Winston Churchill knew the power of words. In public speeches and published books, in newspaper and magazine articles, he expressed his feelings and laid out his vision for the future. His wartime writings and speeches have fascinated generation after generation with their powerful narrative style and thoughtful reflection. This book contains one hundred extracts from his books, articles and speeches. They range from his memories of his schooldays, to his contributions to the debates on social policy and on war, his contributions in both world wars to the events and discourse, and his efforts after 1945 to see the world a better place. Martin Gilbert, Churchill's official biographer, has chosen passages that express to him the essence of Churchill's thoughts, and which describe—in his own inimitable words—the main adventures of his life, and the main crises of his career with Gilbert's own introduction and interlinking text. They give, from first to last, an insight into his life and thought, how it evolved, and how he made his mark on the British and world stage.

Never Surrender-John Kelly 2015-10-20 "WWII scholar John Kelly triumphs again" (Vanity Fair) in this remarkably vivid account of a key moment in Western history: The critical six months in 1940 when Winston Churchill debated whether England should fight Nazi Germany—and then decided to "never surrender." London in April, 1940, is a place of great fear and conflict. The Germans have taken Poland, France, Holland, Belgium, and Czechoslovakia. The Nazi war machine now menaces Britain, even as America remains uncommitted to providing military aid. Should Britain negotiate with Germany? The members of the War Cabinet bicker, yell, and are divided. Churchill, leading the faction to fight, and Lord Halifax, cautioning that prudence is the way to survive, attempt to usurp one another by any means possible. In Never Surrender, we feel we are alongside these complex and imperfect men, determining the fate of the British Empire, and perhaps, the world. Drawing on the War Cabinet papers, other government documents, private diaries, newspaper accounts, and memoirs, historian John Kelly tells the story of the summer of 1940. Kelly takes readers from the battlefield to Parliament, to the government ministries, to the British high command, to the desperate Anglo-French conference in Paris and London, to the American embassy in London, and to life with the ordinary Britons. We see Churchill seize the historical moment and ultimately inspire his government, military, and people to fight. Kelly brings to life one of the most heroic moments of the twentieth century and intimately portrays some of its largest players—Churchill, Lord Halifax, Hitler, FDR, Joe Kennedy, and others. Never Surrender is a fabulous, grand narrative of a crucial period in World War II and the men and women who shaped it. "For lovers of minute-by-minute history, it's a feast" (Huffington Post).

While England Slept-Sir Winston S Churchill, K.G. 2011-07-01

The Literary Churchill-Jonathan Rose 2014-05-27 "An interesting and at times surprising account of Churchill's tastes as a reader...many of [these] nuggets will be new even to Churchill junkies."—The Wall Street Journal This strikingly original book introduces a Winston Churchill we haven't known before. Award-winning author Jonathan Rose explores Churchill's careers as statesman and author, revealing the profound influence of literature and theater on Churchill's personal, carefully composed grand story and the decisions he made throughout his political life. In this expansive literary biography, Rose provides an analysis of Churchill's writings and their reception (he won the Nobel Prize for Literature in 1953 and was a best-selling author), and a chronicle of his dealings with publishers, editors, literary agents, and censors. The book also identifies an array of authors who shaped Churchill's own writings and politics: George Bernard Shaw, H. G. Wells, Margaret Mitchell, George Orwell, Oscar Wilde, and many more. Rose investigates the effect of Churchill's passion for theater on his approach to reportage, memoirs, and historical works. Perhaps most remarkably, Rose reveals the unmistakable influence of Churchill's reading on every important episode of his public life, including his championship of social reform, plans for the Gallipoli invasion, command during the Blitz, crusade for Zionism, and efforts to prevent a nuclear arms race. Finally, Rose traces the significance of Churchill's writings to later generations of politicians—among them President John F. Kennedy as he struggled to extricate the U.S. from the Cuban Missile Crisis. "Immensely enjoyable...This gracefully written book is an original and textured study of Churchill's imagination."—The Washington Post

The Eccentric Mr Churchill-Jacob F. Field 2019-07-18 This fascinating and highly entertaining book contains little-known anecdotes, facts and details from the life of Winston Churchill, the 'man of the century' who, in 2002, was voted the Greatest Briton of all time. As well as providing a new insight into the epochal historical events that Churchill was a part of, it documents some of the lesser known moments of his life, as well as intriguing facts about how he lived and worked, his friends and enemies, loves and hates. Did you know that: - Churchill invented the 'belly band' around cigars? - A duck-billed platypus - named Winston - was sent from Australia to join Churchill's menagerie at Chartwell? - He escaped from a POW camp during the Second Boer War? - He was a handy bricklayer in his spare time? These and many more extraordinary facts are detailed in this book. It will provide even the Churchill aficionado with another perspective on the great man, who remains a figure of fascination for millions worldwide.

Churchill, Hitler, and "The Unnecessary War"-Patrick J. Buchanan 2008-05-27 Were World Wars I and II inevitable? Were they necessary wars? Or were they products of calamitous failures of judgment? In this monumental and provocative history, Patrick Buchanan makes the case that, if not for the blunders of British statesmen- Winston Churchill first among them-the horrors of two world wars and the Holocaust might have been avoided and the British Empire might never have collapsed into ruins. Half a century of murderous oppression of scores of millions under the iron boot of Communist tyranny might never have happened, and Europe's central role in world affairs might have been sustained for many generations. Among the British and Churchillian errors were: • The secret decision of a tiny cabal in the inner Cabinet in 1906 to take Britain straight to war against Germany, should she invade France • The vengeful Treaty of Versailles that mutilated Germany, leaving her bitter, betrayed, and receptive to the appeal of Adolf Hitler • Britain's capitulation, at Churchill's urging, to American pressure to sever the Anglo-Japanese alliance, insulting and isolating Japan, pushing her onto the path of militarism and conquest • The greatest mistake in British history: the unsolicited war guarantee to Poland of March 1939, ensuring the Second World War Certain to create controversy and spirited argument, Churchill, Hitler, and "the Unnecessary War" is a grand and bold insight into the historic failures of judgment that ended centuries of European rule and guaranteed a future no one who lived in that vanished world could ever have envisioned.

Winston of Churchill-Jean Davies Okimoto 2013-01-01 Churchill, Manitoba is the polar bear capitol of the world. Every winter, tourists flock to the tiny town to watch the bears hunt and frolic on the frozen waters of the Hudson Bay. This year, though, the tourists are in for a big surprise...Winston! A smart, fierce, brave bear, Winston of Churchill has noticed that their icy home is slowly melting away. He explains to the other bears why the ice is melting then, using the stirring words of his famous namesake, rallies the bears to convince humans to save their Arctic home. However, on the way to the protest march, Winston learns an unexpected lesson and realizes that he, too, must change his ways. This timely, funny story draws attention to the polar bears' plight and helps children understand that in the face of global warming, everyone must do their part, no matter how small.

Bomber Command-Max Hastings 2013-09-15 Bomber Command's air offensive against the cities of Nazi Germany was one of the most epic campaigns of World War II. More than 56,000 British and Commonwealth aircrew and 600,000 Germans died in the course of the RAF's attempt to win the war by bombing. The struggle in the air began meekly in 1939 with only a few Whitleys, Hampdens, and Wellingtons flying blindly through the night on their ill-conceived bombing runs. It ended six years later with 1,600 Lancasters, Halifaxes, and Mosquitoes, equipped with the best of British wartime technology, blazing whole German cities in a single night. Bomber Command, through its fits and starts, grew into an effective fighting force. In Bomber Command, originally published to critical acclaim in the U.K., famed British military historian Sir Max Hastings offers a captivating analysis of the strategy and decision-making behind one of World War II's most violent episodes. With firsthand descriptions of the experiences of aircrew from 1939 to 1945 - based on one hundred interviews with

veterans - and a harrowing narrative of the experiences of Germans on the ground during the September 1944 bombing of Darmstadt, Bomber Command is widely recognized as a classic account of one of the bloodiest campaigns in World War II history. Now back in print in the U.S., this book is an essential addition to any history reader's bookshelf.

The Unrelenting Struggle, 1942-Winston S. Churchill 2013-04-01 This stunning second volume of wartime speeches and broadcasts from the Nobel Prize-winning prime minister captures the troubled early days of WWII. Legendary politician and military strategist Winston S. Churchill was a master not only of the battlefield, but of the page and the podium. Over the course of forty books and countless speeches, broadcasts, news items, and more, he addressed a country at war and at peace, thrilling with victory but uneasy with its shifting role on the world stage. In 1953, he was awarded the Nobel Prize for Literature for "his mastery of historical and biographical description as well as for brilliant oratory in defending exalted human values." During his lifetime, he enthralled readers and brought crowds roaring to their feet; in the years since his death, his skilled writing has inspired generations of eager history buffs. This second volume in the series of the great orator's wartime speeches, broadcasts, public messages, and other communications take readers through the difficult years of 1940 to 1941. Faced with a challenging moment for the military as well as a groundswell of criticism from his government and his people, Churchill used his extraordinary command of language to inspire Britain to stand strong against Hitler and the growing Nazi threat. No fan of WWII military history should be without this extraordinary collection of seventy-two broadcasts, speeches, and messages to Parliament.

Hero of the Empire-Candice Millard 2017 A thrilling narrative of Winston Churchill's extraordinary and little-known exploits during the Boer War. Churchill arrived in South Africa in 1899, valet and crates of vintage wine in tow, there to cover the brutal colonial war the British were fighting with Boer rebels. But just two weeks after his arrival Churchill was taken prisoner ... The story of his escape is incredible enough, but then Churchill enlisted, returned to South Africa, fought in several battles, and ultimately liberated the men with whom he had been imprisoned. Hero of Empire is more than an adventure story, for the lessons Churchill took from the Boer War would profoundly affect twentieth-century history.

The Handy Communication Answer Book-

The Boer War-Winston S. Churchill 2013-07-23 A fascinating piece of first-person reporting from the British statesman's early years as a war correspondent in South Africa. As a young, ambitious soldier, Winston S. Churchill managed to get himself posted to the 21st Lancers in 1899 as a war correspondent for the Morning Post—and joined them in fighting the rebel Boer settlers in South Africa. In this conflict, rebel forces in the Transvaal and Orange Free State had proclaimed their own statehood, calling it the Boer Republic. This book consists of two separate works in one volume, "London to Ladysmith via Pretoria" and "Ian Hamilton's March." In the former, Churchill is captured in Pretoria not long after he arrives to join the British forces—and is frustrated not by the conditions in the prison, but by the fact that he was missing the action. Churchill tells the story of how he escaped and made a daring overland crossing, traveling only at night to avoid detection. Recounting Churchill's own adventures and observations during the conflict, this book is fascinating for both its historical and personal perspective. "We never think of Churchill as a reporter. That is our loss . . . His dispatches from the 1899-1902 Boer War in South Africa to the London Morning Post . . . sizzle with energy and daring." —The Washington Times
