Critical Autoethnography Intersecting Cultural Identities In Everyday Life

Ethnic group - Wikipedia
An ethnic group or ethnicity is a grouping of people who identify with each other on the basis of shared attributes that distinguish them from other groups such as a common set of traditions, ancestry, language, history, society, culture, nation, religion, or social treatment within their residing area. Ethnicity is sometimes used interchangeably with the term nation, particularly in ...

(PDF) A Critical Review of Qualitative Interviews
This paper is a critical assessment of the merits and drawbacks of qualitative interviews as a research method. To do so, a brief review of literature regarding what we mean by interviews and

Research & Creative - Communication and Culture - Ryerson
Much current critical theory is indebted to feminist film theory, but in turn, critical, psychoanalytic, post structuralist and cultural studies' influences on radical feminist theory have effected--or at least influenced--a shift that tends to privilege a critical practice dealing primarily with image/representation.

Feminist Theory and Its Use in Qualitative Research in
Aug 28, 2019 · Feminist theory rose in prominence in educational research during the 1980s and experienced a resurgence in popularity during the late 1990s–2010s. Standpoint epistemologies, intersectionality, and feminist poststructuralism are the most prevalent theories, but feminist researchers often work across feminist theoretical thought. Feminist qualitative research in ...

Sexual Harassment Research - Sexual Harassment of Women
This chapter reviews the information gathered through decades of sexual harassment research. It provides definitions of key terms that will be used throughout the report, establishing a common framework from the research literature and the law for discussing these issues. In reviewing what sexual harassment research has learned over time, the chapter also examines the research ...

Libro electrónico - Wikipedia, la enciclopedia libre
Un libro electrónico, [1] libro digital o ciberlibro, conocido en inglés como e-book o eBook, es la publicación electrónica o digital de un libro. Es importante diferenciar el libro electrónico o digital de uno de los dispositivos más popularizados para su lectura: el lector de libros electrónicos, o e-reader, en su versión inglesa..
