Ekspresinformacija apie naujus spaudinus, išėjusius Lietuvoje - 2006

The Palgrave Handbook of Textbook Studies - Eckhardt Fuchs 2018-04-04 This volume examines the present status and future trends of textbook studies. Cutting-edge essays by leading
experts and emerging scholars explore the field’s theories, methodologies, and topics with the goal of generating debate and providing new perspectives. The Georg Eckert Institute’s unique transdisciplinary focus on international textbook research has shaped this handbook, which explores the history of the discipline, the production processes and contexts that influence textbooks, the concepts they incorporate, how this medium itself is received and future trends. The book maps and discusses approaches based in cultural studies as well as in the social and educational sciences in addition to contemporary methodologies used in the field. The book aims to become the central interdisciplinary reference for textbook researchers, students, and educational practitioners.

**English in Mind Level 1 Student’s Book with DVD-ROM - Herbert Puchta 2010-02-25** This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, ‘Culture in Mind’, and ‘Everyday English’ sections. New for the second edition is a DVD-ROM with the Level 1 Student’s Book containing games, extra exercises and videos featuring the photostories' characters as well as a ‘Videoke’ record-yourself function. There is a full ‘Vocabulary bank’ at the back of the book which expands upon lexical sets learned in the units.

**Deutsche Nationalbibliografie - 2005-07**

**Katzung & Trevor's Pharmacology Examination and Board Review, 11th Edition - Anthony J. Trevor 2015-08-21** The most up-to-date medical pharmacology review available. From the authors of Basic and Clinical Pharmacology, the leading pharmacology textbook, here is the newest edition of the best review book available for medical pharmacology course exams and board examinations. This skill-building guide comes with more than 1,000 questions and answers -- far more than most other pharmacology reviews -- and a chapter-based approach that facilitates use with course notes or larger texts. Presented in full color and organized to match the syllabi of pharmacology courses, the book is highlighted by concise discussion of the major concepts the underlie basic pharmacology principles or specific drug groups, and learning aids that include numerous tables and figures, high-yield terms and definitions, summary tables, test-taking strategies, and two complete practice exams with answer explanations in the appendix. Delivers the most up-to-date information on all drugs, including retrovirals, immunologic agents, and chemotherapies. Includes two comprehensive 100-question examinations.

To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Books Out Loud- 2007

Cosa Nostra: A History of the Sicilian Mafia-John Dickie 2015-03-31 The Italian-American mafia has its roots in a mysterious and powerful criminal network in Sicily. While the mythology of the mafia has been widely celebrated in American culture, the true origins of its rituals, laws, and methods have never actually been revealed. John Dickie uses startling new research to expose the secrets of the Sicilian mafia, providing a fascinating account that is more violent, frightening, and darkly comic than anything conceived in popular movies and novels. How did the Sicilian mafia begin? How did it achieve its powerful grip in Italy and America? How does it operate today? From the mafia's origins in the 1860s to its current tense relationship with the Berlusconi government, Cosa Nostra takes us to the inner sanctum where few have dared to go before. This is an important work of history and a revelation for anyone who ever wondered what it means to be "made" in the mob.

Книги Российской Федерации- 2006

Click on-Virginia Evans 2001 Click On is a five-level course consisting of five modules each for learners of English from complete beginner to intermediate level. In full colour, the course combines active English language learning with a variety of lively topics presented in themed units. Its well-organised syllabus promotes the gradual development of all four language skills needed by learners to communicate effectively in English. The cross-cultural approach of the course stimulates learners' interest, focusing on topics carefully chosen to motivate. The Student's Book and the Workbook for each level are designed to be covered in approximately 70 to 80 hours of classroom work.

Dickon the Devil-Joseph Sheridan Le Fanu 2015-10-20 This early work by Sheridan Le Fanu was originally published in 1872. Born in Dublin in 1814, he came from a literary family of Huguenot origins; both his grandmother Alicia Sheridan Le Fanu and his great-uncle Richard Brinsley Sheridan were playwrights, and his niece Rhoda Broughton would go on to become a successful novelist. Le Fanu entered Trinity College, Dublin to study law. While there, he was elected Auditor of the College Historical Society, and between 1838 and 1840 published his first series of short stories, which were later collected as The Purcell Papers. At his peak, le Fanu was the leading ghost-story writer of the nineteenth century, and he is now seen as central to the development of the genre in the Victorian era. His work is credited with turning the Gothic's focus from the external sources of horror to the inward effects of terror, thus helping to create the psychological basis for supernaturalist literature that continues to this day. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce
The Acquisition of German - Anne Vainikka
2011 The theory of Organic Grammar is applied to four decades of work on children's and immigrant L2 learners acquisition of German word order and inflectional morphology. New data from a longitudinal study of ab initio secondary school students reveals bottom-up acquisition of syntactic structure during their exchange year in Germany. Their naturalistic acquisition process, with stages described for the first time in L2 acquisition, is highly similar to that of younger learners. This has important implications for German teaching and for Universal Grammar and acquisition."

"B" is for Burglar - Sue Grafton 2010-04-01
B is for Burglar, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the manager of the California building, she was last seen draped in her $12,000 lynx coat heading for Boca Raton. According to the manager of the Florida building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered a woman. A missing lynx coat. An apartment burgled of valueless papers, another ransacked in a melée of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is quite what it seems. "A" is for Alibi "B" is for Burglar "C" is for Corpse "D" is for Deadbeat "E" is for Evidence "F" is for Fugitive "G" is for Gumshoe "H" is for Homicide "I" is for Innocent "J" is for Judgment "K" is for Killer "L" is for Lawless "M" is for Malice "N" is for Noose "O" is for Outlaw "P" is for Peril "Q" is for Quarry "R" is for Ricochet "S" is for Silence "T" is for Trespass "U" is for Undertow "V" is for Vengeance "W" is for Wasted "X"

**Modern German Grammar** - Ruth Whittle 2013-03-01

Modern German Grammar: A Practical Guide, Third Edition is an innovative reference guide to German, combining traditional and function-based grammar in a single volume. The Grammar is divided into two parts. Part A covers grammatical categories such as word order, nouns, verbs and adjectives. Part B is organised according to language functions and notions such as: making introductions asking for something to be done delivering a speech possibility satisfaction. The book addresses learners’ practical needs and presents grammar in both a traditional and a communicative setting. New to this edition, and building on feedback from the previous edition: The rules of the latest (and so far final) spelling reform have been implemented throughout. Examples of usage have been updated and consideration given to Swiss and Austrian variants. The chapter on register has been expanded and now includes youth language and frequently used Anglicisms in German. The Index now has even more key words; it has also been redesigned to differentiate between German words, grammar terms, and functions, thus making it more user-friendly. The Grammar assumes no previous grammatical training and is intended for all those who have a basic knowledge of German, from intermediate learners in schools and adult education to undergraduates taking German as a major or minor part of their studies. The Grammar is accompanied by a third edition of Modern German Grammar Workbook (ISBN 978-0-415-56725-1) which features exercises and activities directly linked to the Grammar. Ruth Whittle is Lecturer, John Klapper is Professor of Foreign Language Pedagogy, Katharina Glöckel is the Austrian Lektorin and Bill Dodd is Professor of Modern German Studies – all at the University of Birmingham. Christine Eckhard-Black is Tutor and Advisor in German at the Oxford University Language Centre.

**The Girl with No Nose** - Georgia Byng 2016-10

Alice Peasbody was born with no nose. People laugh and jeer at Alice and call her 'Pancake Face'. Even when she is given a prosthetic nose and gains the courage to move to the big city and take an office job, she cowers in dark corners. The only place she feels she can truly be herself is the roof garden of the office block. But one day a handsome and good-natured man comes to work in Alice's office, and she finds herself drawn out of the dark corners.
