As Democrats and their allies in the leftist media fall all over themselves today blaming Republicans for crimes committed at the U.S. Capitol one year ago, it is worth remembering that the nation's

In addition to describing the daily brutalities that were inflicted on freedom fighters and political a wall writing is forever seared into my mind. An adolescent prisoner etched on the

In October 2015, my family and I set our roots in Croatia seeking pro-life work.

The liberty of the mind is perhaps the most precious liberty known to man. When I say 'mind,' I mean the faculty of the soul which is conscious of itself and of the objects of sensation

Trevor Greenfield came to the United States as an immigrant from South Africa with a drive to strive for the American dream. His is a story about holding strong and

The much anticipated Freedom Concert by Shatta Wale and rapper Medikal came off on December 25 and of course, the dancehall artiste ensured that he ‘freed his mind’ during his performance.

I am reminded of my all-time favorite book to set all books aflame because it gives people happiness and ease of mind. "Colored people don’t like ‘Little Black Sambo,"' he further explained. "I love my book because it tells the story of a little boy and his

The Indian government, however, is not averse to the continued use of religious symbols in education and government, and has even encouraged the use of religious symbols in schools and universities. In fact, the government has announced plans to introduce a 'religious identity' system in schools and universities to promote religious harmony.

There is a scenario that has often run in my mind. A fantasy from years past which has never left my imagination. On a beautiful sunny day, I think of a rider on his horse, many Moons ago headed North throughout the great Plains. Nice flat

The salesperson from Freedom Innovations gave me swag—a T But I had never considered that my mind was cyborg. I had inadvertently adopted the Cartesian philosophy of body-mind dualism.

Brazilian President: 'I Would Rather Die Than Lose My Freedom'

I have no doubt in my mind God is on our side and that God respects and trusts women. Dr.迷你 Forbes, the Reverend of the International Women's Conference, said: "We must remember that women are the backbone of the whole structure of society. They are the glue that holds the community together."

There is no doubt in my mind that the movement for women's rights is gaining momentum around the world, and that women are increasingly asserting their rights and demanding equality in all aspects of their lives.

At the beginning of the era with the start of the Freedom of the Press movement, the press and readers alike were able to exchange information and opinions, and participate in the democratic process, without fear of repercussions.

Let's bear in mind, freedom of speech is important for international and domestic reasons. It is a fundamental human right that allows individuals to express their thoughts and opinions, and to challenge authority and power. Freedom of speech is essential for the development of a healthy, democratic society.
