No Grammar Tears 2-Martius-Addson Zimbutas 2013-08 First of all, I find No Grammar Tears very informative. What amazes me is the kind of dedication and patience Martius Addson has put into his writing. This is because this kind of grace actually needs full attention. Truly, whatever he has written is precise and correct. I really admire his generosity of sharing his knowledge about English owing to the fact that English is his second language. What is good about the book is that the writer wrote it in a manner that readers can easily understand it. In other words, what makes this book different from the other English grammar books in the market is that it is more user-friendly, means he wrote it in a manner that can easily be understood, especially by those who just learned English and want to learn more. Correctly put, this book is a guide to those who wants to learn English on their own. As a matter of fact, he has a knowledge check in every subject he has discussed in this book. He catered everything, especially in the part on how to construct sentences, which are very precise and which make it very easy to learn English. He did not change anything at all in terms of the right way to speak and learn English, but instead he made it easier and more convenient for those whose English is not their first language. In point of fact, he wrote this book not because he wants to show off to the world that he is a good grammarian, but because he wants to help those struggling to learn English. The book therefore deserves recognition because he is actually giving a favour to those who can’t afford to have a private tutor to teach them how to speak English correctly. I must, in conclusion, admit that this book will really help those people who want to learn English language, those people who are striving to speak perfect English, and those people that English is their second language. I will therefore commend the author for this book.

The Standard English Language and Grammar-George Washington Founders 1910

Let's go Fly-Grace Huntington 2010-07 Please Let Me Fly is the revealing life-story of Grace Huntington, an unsung hero who exemplified what it meant to be anything but a stereotypical woman. Huntington gives us a glimpse of what it was like to set her own course which clashed with her mother's and society's ideas. Perhaps nothing describes the defiant personality of Grace Huntington more than to male dominated industries of flying and screenwriting. As a professional pilot, 1960. And as a scriptwriter. Grace Huntington was an example of how the female gender can and should be treated in an equal manner. She showed how women, she describes her experiences while working as the only woman "story man" for Walt Disney and demonstrates her persistence while trying to find a job in Hollywood. Please let me fly her life story more than sixty years later. The book includes lost documents, letters and photos that tell the story of a remarkable woman who served as inspiration to all women seeking their own defined roles in society.

A University Course in English Grammar-Angelina Downey 2002-This comprehensive descriptive grammar is a complete course for first degree and postgraduate students of English as a Foreign Language. It is also available as background reading for course for literature and discourse studies, since grammatical usage is illustrated with authentic texts, many of them from literary sources. The Blue Book of Grammar and Punctuation: A Junior English Grammar and Composition-Evangelinus Apostolides Sophocles 1858

 Grammar is please let me know if otherwise grammatical is an innovative way of teaching Turkish-Halid Demir "What is easy Turkish Grammar? easy Turkish Grammar is a self-study reference practice book for learners who want to study Turkish for the first time but are not sure where to start. It teaches all the grammar and vocabulary they need for speaking and writing in Turkish. Not only does it explain the rules, it also shows how the language works and gives plenty of practice. It can also be used by keen-intermediate learners who want to revise their knowledge of Turkish. " Which Turkish does easy Turkish Grammar teach? It teaches modern standard Turkish, the dialect you read in newspapers and hear on TV channels. " How is easy Turkish Grammar organized? The grammar-teach you how a for how Turkish words the book starts with a brief introduction about Turkish spelling, pronunciation, word order and parts of speech such as verbs, nouns and adjectives. After the introduction you will study 36 units presented in order of difficulty. Each of these units, which deal with spelling and pronunciation, come with online audio. Each unit covers one part of grammar explained by making references to English so that you can compare relevant areas of grammar. Areas where you may have difficulty have been treated with particular care and attention. Each topic is illustrated by plenty of real-life examples written by using the equivalents of 2000 basic English words. And each and every example in the book is translated into English. In the book some unique conventions are used for spelling, pronunciation and grammar in order to help with the learning process. Each set of suffixes in Turkish, which might be mind-boggling for speakers of European languages such as English, is highlighted with a different colour throughout the book so that you can easily spot the order and function of every suffix. You can find the colour-legend at the bottom of the pages. Besides grammar, easy Turkish Grammar teaches lots of everyday phrases and expressions so that it may also make a useful handbook for daily Turkish. The exercises As practice makes perfect, the utmost care has been devoted to writing the exercises. At the end of the units you can find an extensive set of exercises. The appendixes The appendices include 11 supplementary lessons, which are referred to while you are studying the units. The key The key includes the answers to all the exercises. Online audio for the exercises is also available. The index The index is unique in that the entries include only entries in Turkish so that you can compare relevant areas of grammar. Explanation If you want to know how to say or express or obligation in Turkish, all you need to do is refer to these titles. However, explanation not only about how to say in Turkish but also how Turkish suffix for must is also used to mean should. If you want to add -ness to an adjective or -ship to a noun, you will be referred to the relevant page where you will find that Turkish only has the suffix -lə for both. The bibliography

A Grammar of Anong-John Yu 2009 A work that will be of interest to those interested in typology, language history, and contact induced change, this book documents the radical restructuring of Anong over the last 40 years under intense contact with Lisu. In the almost fifty years, Sun Hnoi has been documenting the Anong language of Yunnan China, which has undergone radical, contact-induced changes. The language of the less than forty remaining speakers is quite different than the Anong that John Yu has been working on. This work is a contact with Lisu, major changes in contact years. The English edition is a rewriting of the original Chinese version, providing annotations, an expanded lexicon, and an appendix that contains an instrumental study of the language.

Languages of the Greater Himalayan Region, Volume 9 A Grammar of Anong-Hongi Hnoi 2009-03-29 A work that will be of interest to those interested in typology, language history, and contact induced change, this book documents the radical restructuring of Anong over the last 40 years under intense contact with Lisu.

Modern Spanish Grammar-Christopher Fountain 2004-06-01 Modern Spanish Grammar: A Practical Guide is an innovative reference guide to Spanish, combining traditional approaches and contemporary language use, in a single volume. Two sections cover traditional grammatical categories such as word order, nouns, verbs and adjectives. The larger section is carefully organized around language functions and notions such as: giving and receiving information putting actions into context * expressing likes, dislikes and preferences comparing objects and actions. All grammar points and functions are richly illustrated and documented with authentic examples from a range of Japanese media. Inclusive coverage of both colloquial and standard Japanese as spoken and written by native speakers. This edition has been fully updated throughout, incorporating a new structure now organised by topic and containing 50% new content. Examples of idiomatic terms that have been added. Features include: *Clear grammar points put into context using examples from a range of Japanese media *inclusive coverage of both colloquial and standard *Extensive cross-referencing in all parts of the book *A detailed index of Japanese and English terms *Written by experts in this field, Japanese: A Comprehensive Grammar is an essential reference source for learners and user of Japanese at all levels.
