### **Murder of Allison Baden-Clay, The**

David Murray  
2015-02 "How did a father with no criminal history come to be on trial for the brutal murder of his wife? It began with a phone call to Brisbane police on 20 April 2012. Allison, wife of real-estate agent Gerard Baden-Clay, was missing. When investigating officers arrived at the family home, in one of the city's wealthiest suburbs, a neatly dressed Gerard had been getting the couple's three daughters ready for school. Scratches on his face were shaving cuts, he told them. Police weren't so sure and opened one of Australia's biggest ever missing persons investigations. Ten days after

Gerard reported Allison's disappearance, the body of the former beauty queen was discovered on a creek bank 14 kilometres from home. The Murder of Allison Baden-Clay is written by the investigative journalist who covered the case from the start. It weaves together exclusive interviews and police and court records to explain how a father with no criminal history came to be on trial for a brutal murder. It's also a story about everyday choices and their consequences."

### **Always Young and Restless-**

Melody Thomas Scott  
2020-08-18 The adored actress behind the character Nikki Newman of The Young and the Restless tells all in this scintillating memoir, divulging the insider details of her dramatic life and forty-year career. Melody Thomas Scott admits she is nothing like her The Young and the Restless role, which has seen it all in her forty-year tenure on America's highest-rated daytime serial. But the high drama, angst, and catastrophes aren't confined to her character's plotlines. In

this captivating memoir, Melody reveals behind-the-scenes tales of her own riveting journey to becoming an icon. As Nikki Newman went from impoverished stripper to resourceful, vivacious heroine—with missteps as gripping as her triumphs—Melody became a household name, enthralling audiences across the globe. But her road to stardom also had to be one to freedom marked by an escape fit for cinema. In *Always Young and Restless*, Melody tells of her troubled, untraditional upbringing for the first time. Readers will learn how she suffered at home with her hoarder grandmother, whose cruelty as her manager is shockingly extreme; abuse at the hands of industry men; the intensity of acting in feature films with Alfred Hitchcock and Clint Eastwood; and how she finally took control of her life and career, in a getaway move as daring as any on *The Young and the Restless*. And of course, Melody divulges forty years' worth of juicy on-and-off-set details of what it's like to be one-half of the show's most successful supercouple,

“Niktor,” plus her personal path to healing, love, and family. In witty, warm prose, meet the shining, persevering heart of an American icon—and prepare to be moved by a life story fit for a soap opera star.

**On a Global Mission: The Automobiles of General Motors International Volume 3-**Louis F. Fourie 2016-12-27 Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015. Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM. Each model is examined individually and supplemented by exhaustive supporting specification tables. The fascinating history of Saab and Lotus begins with their humble beginnings and

examines each model in detail and looks at why these unusual marques came under the GM Banner. Included is a penetrating review of Saab through to its unfortunate demise. Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America. Daewoo, Wuling and Baojun are other Asian brands covered in detail. This volume concludes with recording the remarkable early success of Holden and its continued independence through to today. Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations. A brief history of Isuzu, Subaru and Suzuki looks at the three minority interests GM held in Asia. The GM North American model specifications are the most comprehensive to be found in a single book. Global and regional sales statistics are included. GM executives and management from around the globe are listed with the roles they held. An index ensures that these volumes

serve as the ideal reference source on GM.
