Sir Gawain and the Green Knight - Facing Page Translation - James Winny 1995-05-31

The fourteenth-century poem Sir Gawain and the Green Knight is one of the greatest classics of English literature, but one of the least accessible to most twentieth-century readers. Written in an obscure dialect, it is far more difficult to digest in the original than are most other late medieval English works. Yet any translation is bound to lose much of the flavour of the original. This edition of the poem offers the original text together with a facing-page translation. With the alliterative Middle English before the reader, James Winny provides a non-alliterative and sensitively literal rendering in modern English. This edition also provides an introduction, explanatory and textual notes, a further note on some words that present particular difficulties, and, in the appendices, two contemporary stories, The Feast of Bricriu and The Knight of the Sword, which provide insight on the poem.

Sir Gawain and the Green Knight, Pearl, and Sir Orfeo - Christopher Tolkien 2021-07-27

It’s Christmas at Camelot and King Arthur won’t begin to feast until he has witnessed a marvel of chivalry. A mysterious knight, green from head to toe, rides in and brings the court’s wait to an end with an implausible challenge to the Round Table: he will allow any of the knights to strike him once, with a battle-axe no less, on the condition that he is allowed to return the blow a year hence. Arthur’s brave favorite for the
challenge is Sir Gawain... Accompanying Sir Gawain and the Green Knight in this book are Sir Orfeo, a medieval version of the story of Orpheus and Euridice, a love so strong that it overcame death, and Pearl, the moving tale of a man in a graveyard mourning his baby daughter, lost like a pearl that slipped through his fingers. Worn out by grief, he falls asleep and dreams of meeting her in a bejewelled fantasy world. Interpreted in a form designed to appeal to the general reader, J.R.R. Tolkien’s vivid translations of these classic poems represent the complete rhyme and alliterative schemes of the originals. This beautifully decorated text includes as a bonus the complete text of Tolkien’s acclaimed lecture on Sir Gawain.

\textbf{Sir Gawain and the Green Knight}- 2018-07-18 While the knights of King Arthur's Round Table are toasting the new year, a colossal stranger clad in green armor bursts in to deliver a formidable challenge: Any of them may strike off the intruder's head as long as he is prepared to receive a similar blow from the Green Knight in one year. Of all the gallant knights in the assembly, only Sir Gawain—brave, gallant, and true to his word—is willing to answer the dare. So begins this gem of medieval English literature, which traces Gawain's adventures as he endeavors to fulfill his pledge. Dating from the late fourteenth century or earlier, the story blends paganistic elements with Christian ethics to celebrate the virtue of forgiveness, thus forming a classic example of the chivalric tradition. This edition presents the legend in two forms: in prose and in verse, both translated by the distinguished scholar Jessie Weston.

Sir Gawain and the Green Knight

Gawain Poet 2021-07-29

The legendary tale of King Arthur and his Knights of the Round Table is one of the most famous folk tales in history, with Merlin the Wizard and the virtuous Sir Lancelot being known and loved by young and old alike to this day. Slightly less celebrated, however, is The Green Knight, who first appeared in the 14th-century Arthurian poem “Sir Gawain and the Green Knight”. One of Arthur's greatest champions, he is both a judge and tester of knights, looked upon by his peers as an amiable yet terrifying and mysterious personage. One of the best known Arthurian stories, it is a classic example of chivalric romance within which The Green Knight goes on a quest that tests his prowess, virtue, and determination in the face of great danger. The poem is written in stanzas of alliterative verse which all end in a rhyming bob and wheel, and is attributed to the unidentified “Pearl Poet”. This volume contains the original text together with an English translation by William Allan Neilson, making it a must-have for those with an interest in the famous Arthurian legend. Ragged Hand is proudly republishing this classic Arthurian poem now in a brand new edition complete with an introduction by K. G. T. Webster.

The Works of the Gawain Poet-Ad Putter
2014-07-10 A new volume of the works of the Gawain poet, destined to become the definitive edition for students and scholars. This volume brings together four works of the unknown fourteenth-century poet famous for the Arthurian romance Sir Gawain and the Green Knight, in their original Middle English. In one of the great tales of medieval literature, Gawain, the noblest knight of King Arthur's court, must keep a deadly bargain with a monstrous knight and resist the advances of his host's beautiful wife. The dream vision of Pearl depicts a bereaved father whose lost child leads him to glimpse heaven. And in moral poems based on stories from the Bible, Cleanness warns against sins of the flesh and of desecration, while Patience encourages readers to endure suffering as God's will. Little is known about the so-called 'Gawain poet', who wrote during the late fourteenth century. It is believed that he came from south-east Cheshire, an important cultural and economic centre at the time, and he was clearly well-read in Latin, French and English. Although he is not named as the author of Sir Gawain and the Green Knight, Pearl, Patience, Cleanness, the four works have been attributed to him based on a careful comparison of their language, date and themes. Myra Stokes was formerly Senior Lecturer in the Department of English at Bristol University. Her books include Justice and Mercy in Piers Plowman and The Language of Jane Austen. Ad Putter teaches at the English Department and the Centre for Medieval Studies of the University of Bristol, where is Professor of Medieval English Literature. His monographs include Sir Gawain and the Green Knight and French Arthurian Romance and An Introduction to the Gawain Poet, and he is also co-editor of The Cambridge Companion to the Arthurian Legend.

Sir Gawain and the Green Knight

Michael Smith 2018-07-26
It is New Year at Camelot and a mysterious green knight appears at King Arthur's court. Challenging the knights of the Round Table to a Christmas game, he offers his splendid axe as a prize to whoever is brave enough to behead him with just one strike. The condition is that his challenger must seek him out in a year and a day to have the deed returned. Sir Gawain accepts and decapitates the stranger, only to see him pick up his head, walk out of the hall and ride away on his horse. Now Gawain must complete his part of the bargain, search for his foe and confront what seems his doom... Michael Smith’s translation of this magnificent Arthurian romance draws on his intimate experience of the North West of
England and his knowledge of mediaeval history, culture and architecture. He takes us back to the original poetic form of the manuscript and brings it alive for a modern audience, while revealing the poem’s historic and literary context. The book is beautifully illustrated by throughout with detailed recreations of the illuminated lettering in the original manuscript and the author’s own linocut prints, each meticulously researched for contemporary accuracy. This is an exciting new edition that will appeal both to students of the Gawain-poet and the general reader alike.

John N. Gardner 1967-11-03 This Middle-English poem about the moral testing of a young hero is commonly described as the greatest Arthurian romance in our literary tradition. It is a question still as to who the author is, but this poet is considered second only to Chaucer.

**The Green Knight (Movie Tie-In)**
2021-07-13
The inspiration for the major motion picture The Green Knight starring Dev Patel, an early English poem of magic, chivalry and seduction. Composed during the fourteenth century in the English Midlands, Sir Gawain and the Green Knight describes the events that follow when a mysterious green-coloured knight rides into King Arthur's Camelot in deep mid-winter. The mighty knight presents a challenge to the court: he will allow himself to be struck by one blow, on the
condition that he will be allowed to return the strike on the following New Year's Eve. Sir Gawain takes up the challenge, decapitating the stranger - only to see the Green Knight seize up his own severed head and ride away, leaving Gawain to seek him out and honour their pact. Blending Celtic myth and Christian faith, Gawain is among the greatest Middle English poems: a tale of magic, chivalry and seduction.

**Critical Studies of Sir Gawain and the Green Knight**-Donald Roy Howard 1968

**Sir Gawain and the Green Knight**-Keith Harrison 1998 'The finest translation in and for our time' (Kevin Crossley-Holland) Sir Gawain and The Green Knight, with its intricate plot of enchantment and betrayal is probably the most skilfully told story in the whole of the English Arthurian cycle. Originating from the north-west midlands of England, it is based on two separate and very ancient Celtic motifs of the Beheading and the Exchange of Winnings, brought together by the anonymous 14th century poet. His telling comprehends a great variety of moods and modes - from the stark realism of the hunt-scenes to the delicious and dangerous bedroom encounters between Lady Bercilak and Gawain, from moments of pure lyric beauty when he evokes the English countryside in all its seasons, to authorial asides that are full of irony and puckish humour. This new verse translation uses a modern alliterative pattern which subtly echoes the music of the original at the same time as it strives for fidelity.

**Sir Gawain and the Green Knight**-Michael Stugrin 1973-10

**The Gawain Poet**-Marie Borroff 2011 Of the five poems contained in this book, two are acknowledged masterpieces. The plot of Sir Gawain and the Green Knight, an Arthurian romance, brilliantly interweaves elements of
suspense and high comedy. Pearl, a dream vision, presents its poignant story of the education of a misguided Christian soul in metrically intricate and verbally ornate stanzas that add up to an overarching numerical design. Together with these two, Patience, Cleanness, and Saint Erkenwald make up the complete works of their anonymous author. All exhibit the dramatizing powers and metrical virtuosity of a master-poet. But none became part of the established literary canon until the second half of the nineteenth century, when the single manuscript copies in which they survive were edited and printed. Taken together, these works offer us a wide-ranging portrait of life in the late Middle Ages from the point of view of an independent-minded, learned, and cosmopolitan Englishman, a man as conversant with the conduct of life in great households as with Christian tradition and doctrine. He knew, among other things, how to sail a medieval passenger ship from its mooring to open sea, how to dress the carcass of a deer or a boar at the end of a royal hunt, and how a knight might flatter a noble and beautiful lady in the most intimate of situations while politely evading her seductive overtures.

John Gardner 2011-10-03 The adventures and challenges of Sir Gawain, King Arthur's nephew and a knight at the Round Table, including his duel with the mysterious Green Knight, are among the oldest and best known of Arthurian
stories. Here the distinguished author and poet John Gardner has captured the humor, elegance, and richness of the original Middle English in flowing modern verse translations of this literary masterpiece. Besides the tale of Sir Gawain and the Green Knight, this edition includes two allegorical poems, “Purity” and “Patience”; the beautiful dream allegory “Pearl”; and the miracle story “Saint Erkenwald,” all attributed to the same anonymous poet, a contemporary of Chaucer and an artist of the first rank. “Mr. Gardner has translated into modern English and edited a text of these five poems that could hardly be improved. . . . The entire work is preceded by a very fine and complete general introduction and a critical commentary on each poem.”—Library Journal

Sir Gawain and the Green Knight-Laura L. Howes 2020-11 “This Norton Critical Edition of the anonymously written fourteenth-century Arthurian romance Sir Gawain and the Green Knight is derived from a verse translation by Marie Borroff, first translated in 1967. The poem follows Gawain, a knight of King Arthur's court, as his honor is tested by the Green Knight. After succeeding in beheading the Green Knight, who survives the ordeal, Gawain must uphold his end of the bargain and, after a year's time, meet with the Green Knight again so that the knight may return the grim favor and behead Gawain. The "Contexts" in this Critical Edition provide readers with selections of the poem in its original Middle English, as well as other Arthurian stories that may have influenced the anonymous Gawain-poet. "Criticism" includes a selection of essays on themes ranging from the poem's descriptive techniques, to its use of time and gender. A chronology and selected bibliography are also included”--

The inter-relationship between external descriptions and the internal psychology of "Sir Gawain and the Green Knight"-Bianca Stärk 2006-11-20 Essay from the year 2004 in the subject English Language and Literature
There have been many discussions, essays or psychological interpretations about the aristocratic romance of “Sir Gawain and the Green Knight”, which was written at about 1400 by an unknown author. The romance embodies chivalric ideas of the English ruling class in the mid-fourteenth century. The central focus is set on Gawain, an honourable and courteous knight belonging to Arthur’s Round Table. In this essay I will show that Sir Gawain in Sir Gawain and the Green Knight is a character with many virtues and that his outer appearance stands in close relationship to his internal psychology. Every character is characterized through what he or she thinks about him or herself, how others think and feel about the character and through the actions of the character as well. Gawain is characterized through his armour which directly leads to his internal psychology. His actions are very characteristic for him and it is also very important what others think about him and how that differs from his own view of himself.

Rethinking Romance—Markus Widmer 2007-06
Seminar paper from the year 1999 in the subject English Language and Literature Studies - Literature, grade: 1 (A), University of Zurich (English Seminar), course: Sir Gawain and the Green Knight, 16 entries in the bibliography, language: English, comment:, abstract: This paper discusses how the author of Sir Gawain and the Green Knight uses, explores and sometimes undermines the conventions of the Arthurian romance genre. As a basis for this investigation, a definition of the genre is sketched, using a structuralist model along with a set of typical motifs found in many romances. Having established the essential genre elements the paper then examines the way the Gawain-poet makes use of these in his text. After identifying the fundamentally generic structure of the poem the author concentrates on incidents where the poet plays ironically with the reader's genre expectations.
