The Glory of Byzantium and Early Christendom

The Glory of Byzantium and Early Christendom - In the glory of Byzantium and Early Christendom, it places Anna Komnene in the context of her own time: the ancient Greek colony and medieval Eastern Roman empire, known as the Byzantine Empire. She has been largely viewed as an angry, bitter old woman, who greedily wanted a throne that did not belong to her. Accusations of conspiracy and attempted murder were hurled at her and as punishment for her 'transgressions' she was to live the last days of her life in exile. It was during her time in a convent, where she was not a nun, that the work of her memoirs was accomplished. The memoirs, which have been published, were written in an attempt to set the record straight and to provide a more complete picture of her life and times. The work has been widely praised for its vivid and engaging style, and has been hailed as a significant contribution to our understanding of the Byzantine era.

The Glory of Byzantium and Early Christendom - The memoirs of Anna Komnene provide a fascinating insight into the life of one of the most intriguing figures in the history of an intriguing empire. Her work has been translated into many languages and has been the subject of numerous studies and analyses.
