Kill Your Darlings

Terry Henley 2010-08-24 Grace McKay is a writer whose literary fiction is loved by all. Copied with Gracey McKay's work on an academic level, the book "The Girl Who Was" is a look at the life of a young woman who has been left behind by her family. McKay's career is steadily growing, but her future is not something she can control.

Gracek McKay is revered by her peers and is considered one of the best writers of her generation. Her reputation has been tarnished when her latest novel, "The Girl Who Was," is published. McKay's success is due in part to her ability to draw readers into her stories, but her personal life is a source of concern for many.

The book, written by McKay's friend and colleague, is a scathing critique of the life of the woman who has been left behind by her family. McKay's career is steadily growing, but her future is not something she can control. McKay's friends are concerned for her and are trying to help her get her life back on track.

beautiful group of young friends fated to live the rest of their lives with the silence of the dead. Some books just have to be written. And some books just have to be read. — Trent Dalton

I began this book with my guts in my mouth. Then, as I read on, I winced with recognition, I laughed a lot and my heart gradually broke open. It's odd to talk about "talent" when a book covers such sensitive, sad subject matter, but the truth is that Blaine has it. There are strong sentences, clarity of intent and tone, wicked one-liners and a mastery of metaphor. This book is for everyone – it truly captures something of "modern Australia" in a tenderly told story of one young man's tumultuous coming-of-age. — Bri Lee

Car Crash is a clear-eyed, bruising and tender account of how the moments that thrust you into adulthood can take place in seconds. Lech Blaine's journalism has long made me suspect he's one of the best writers of his generation. Car Crash confirms it, without a doubt. — Ben Law

EAI International Conference on Technology, Innovation, Entrepreneurship and Education

— Angelica Reyes-Munoz 2019-03-16 This book presents the proceedings of the 1st EAI International Conference on Technology, Innovation, Entrepreneurship and Education (TIE 2017), which took place at Canterbury Christ Church University on September 11-12, 2017. The central theme of the conference is creativity and innovation, especially in relation to technology, business, education, social and political needs that make modern society flourish. The proceedings feature papers from a cross-disciplinary audience that explore the process of creativity and innovation. The goal is that the various disciplines can learn from each other and see how they might benefit from the cross-fertilization of practices.

Looking for Gatsby

— Faye Dunaway 1998-01-01 The Hollywood star offers a look at her life, chronicling her rise from poverty to stunning success and candidly discussing her love life and her career.
