**Academic Proposals // Purdue Writing Lab**

Introduction. An important part of the work completed in academia is sharing our scholarship with others. Such communication takes place when we present at scholarly conferences, publish in peer-reviewed journals, and publish in books. This OWL resource addresses the steps in writing for a variety of academic proposals.

**Actor-Network Theory and its role in**
understanding the
Nov 01, 2010 · A very brief introduction to Actor-Network Theory. ANT's main feature is its focus on inanimate entities and their effect on social processes. An actor is thus defined as the "source of an action regardless of its status as a human or non-human"; this is a radical notion in that it contests that inanimate things (e.g. such as technology) can also have agency [11-14].

Wicked problem - Wikipedia
Characteristics. Rittel and Webber's 1973 formulation of wicked problems in social policy planning specified ten characteristics:. There is no definitive formulation of a wicked problem. Wicked problems have no stopping rule.; Solutions to wicked problems are not true-or-false, but better or worse.; There is no immediate and no ultimate test of a solution to a wicked problem.

Communication - Wikipedia
Communication (from Latin communicare, meaning "to share" or "to be in relation with") is "an apparent answer to the painful divisions between self and other, private and public, and inner thought and outer world." As this definition indicates, communication is difficult to define in a consistent manner, because it is commonly used to refer to a wide range of different behaviors ...
