The nineteenth century brought great upheaval to Western societies. Democratic ideals and the Industrial Revolution swept through Europe and changed the daily lives of citizens at all levels. Struggles between the old world order and the new were the root causes of conflicts from the Napoleonic Wars to the American Civil War. Victorian era - Wikipedia

There was no catastrophic epidemic or famine in England or Scotland in the nineteenth century—it was the first century in which a major epidemic did not occur throughout the whole country, and deaths per 1000 of population per year ...
