Joan Carroll, author of more than one hundred dissertations and co-founder of the Harvard Writing Center, offers invaluable suggestions for the graduate-student writer. Using positive reinforcement, she begins by reminding thesis writers that being able to devote themselves to a pleasurable adventure.

How to Write a Thesis: Umberto Eco 2015-02-27 Umberto Eco's wise and witty guide to researching and writing a thesis, published in English for the first time. By the time Umberto Eco published his best-selling novel The Name of the Rose, he was one of Italy's most celebrated intellectuals, a distinguished academic, and the author of countless influential works on semiotics. Some years before that, in 1977, Eco published a seminal book about students. How to Write a Thesis, in which he offered useful advice on all the steps involved in researching and writing a thesis—from choosing a topic to organizing a work schedule to writing the final draft. Now in its twenty-third edition in Italian and published in seventeen languages, How to Write a Thesis has become a classic. Remarkably, this is its first, long overdue edition in English. Eco's approach is anything but dry and academic. He not only offers practical advice but also considers larger questions about the value of the thesis-writing exercise. How to Write a Thesis is an essential guide to the craft that will be of tremendous value to students and researchers alike. Once you've written a thesis, you will have no reason to write another. But this book will ensure that you write a thesis that is unique and distinct from any other research out there. This book will ensure that your argument is strong, sound, and persuasive throughout your entire thesis.

Writing Your Dissertation: The How To Series-William Germano 2014-02-27 When a dissertation crosses my desk, I usually want to grab it by its metaphorical lapels and tell the student to sit down and write. Yet although professional difficulties and pressures are, at times, clearly identifiable, the real problems stupefy me. From the moment I receive a dissertation, I have a sense that something is missing. From the moment I receive a dissertation, I have a sense that something is missing.
