SHORT STORIES FOR STUDENTS-CENGAGE LEARNING. GALE 2016
Discussion essay on the short story “Soldier’s Home” by Ernest Hemingway
Katharina Ochsenfahrt  2010-05-20 Essay from the year 2008 in the subject American Studies - Literature, grade: 1,7, http://www.uni-jena.de/ (Institut für Anglistik/ Amerikanistik), course: Academic Writing, language: English, abstract: Relationships between parents and their children are never easy, because they belong to different generation, and have therefore different values in life. This often leads to conflicts. But in the short story Soldier’s Home by Ernest Hemingway the protagonist Krebs and his mother do not have an usual generation conflict. Krebs has a changed character, because he has been to war. He does not have an aim in his life anymore. Krebs’s mother embodies the community’s values, and she makes Krebs start an adult life against his will. This includes that she encourages him to find a job, and a girlfriend. Moreover, she wants him to believe in God, and to show affection for her and the rest of the family.

Hemingway on War-Ernest Hemingway 2014-05-22 Ernest Hemingway witnessed many of the seminal conflicts of the twentieth century—from his post as a Red Cross ambulance driver during World War I to his nearly twenty-five years as a war correspondent for The Toronto Star—and he recorded them with matchless power. This landmark volume brings together Hemingway’s most important and timeless writings about the nature of human combat. Passages from his beloved World War I novel, A Farewell to Arms, and For Whom the Bell Tolls, about the Spanish Civil War, offer an unparalleled portrayal of the physical and psychological impact of war and its aftermath. Selections from Across the River and into the Trees vividly evoke an emotionally scarred career soldier in the twilight of life as he reflects on the nature of war. Classic short stories, such as “In Another Country” and “The Butterfly and the Tank,” stand alongside excerpts from Hemingway’s first book of short stories, In Our Time, and his only full-length play, The Fifth Column. With captivating selections from Hemingway’s journalism—from his coverage of the Greco-Turkish War of 1919–22 to a legendary early interview with Mussolini to his jolting eyewitness account of the Allied invasion of Normandy on June 6, 1944—Hemingway on War collects the author’s most penetrating chronicles of perseverance and defeat, courage and fear, and love and loss in the midst of modern warfare.

Dalyrimple Goes Wrong-F. Scott Fitzgerald 2020-04-14 A privileged, selfish young man decides that good and evil aren’t any standard to him, and that cutting corners is the way to succeed.

Nick Adams Stories-Ernest Hemingway 2014-05-22 The famous “Nick Adams” stories show a memorable character growing from child to adolescent to soldier, veteran, writer, and parent—a sequence closely paralleling the events of Hemingway’s life.

Student Companion to Ernest Hemingway-Lisa Tyler 2001 Provides background information on the life of Ernest Hemingway and his development as a writer, and includes critical examinations of his major works, his short fiction, and works published posthumously.

Writer, Sailor, Soldier, Spy-Nicholas Reynolds 2017-03-14 NEW YORK TIMES BESTSELLER • A "riveting"* international cloak-and-dagger epic, here is the stunning untold story of Ernest Hemingway’s dangerous secret life -- including his role as a Soviet agent code-named "Argo" -- that fueled his art and his undoing. In 2010, while he was the historian at the esteemed CIA Museum, Nicholas Reynolds, a longtime American intelligence officer, former U.S. Marine colonel, and Oxford-trained historian, began to uncover clues suggesting Nobel Prize-winning novelist Ernest Hemingway was deeply involved in mid-twentieth-century spycraft -- a mysterious
and shocking relationship that was far more complex, sustained, and fraught with risks than has ever been previously supposed. Now Reynolds's meticulously researched and captivating narrative, Writer, Sailor, Soldier, Spy, "looks among the shadows and finds a Hemingway not seen before" (London Review of Books), revealing for the first time the whole story of this hidden side of Hemingway's life: his troubling recruitment by Soviet spies to work with the NKVD, the forerunner to the KGB, followed in short order by a complex set of secret relationships with American agencies, including the FBI, the Department of State, the Office of Naval Intelligence (ONI), and the Office of Strategic Services (OSS), a precursor to the CIA. Starting with Hemingway's sympathy to antifascist forces during the 1930s, Reynolds illuminates Hemingway's immersion in the life-and-death world of the revolutionary left, from his passionate commitment to the Spanish Republic; his successful pursuit by Soviet NKVD agents, who valued Hemingway's influence, access, and mobility; his wartime meeting in East Asia with communist leader Chou En-Lai, the future premier of the People's Republic of China; and finally to his undercover involvement with Cuban rebels in the late 1950s and his sympathy for Fidel Castro. Reynolds equally explores Hemingway's participation in various roles as an agent for the United States government, including hunting Nazi submarines with ONI-supplied munitions in the Caribbean on his boat, Pilar; his command of an informant ring in Cuba called the "Crook Factory" that reported to the American embassy in Havana; and his on-the-ground role in Europe, where he helped OSS gain key tactical intelligence for the liberation of Paris and fought alongside the U.S. infantry in the bloody endgame of World War II. As he examines the links between Hemingway's work as an operative and as an author, Reynolds reveals how Hemingway's secret adventures influenced his literary output and contributed to the writer's block and mental decline (including paranoia) that plagued him during the postwar years -- a period marked by the Red Scare and McCarthy hearings, which destroyed the life of anyone with Soviet connections. Reynolds also illuminates how those same experiences played a role in some of Hemingway's greatest works, including For Whom the Bell Tolls and The Old Man and the Sea, while also adding to the burden that he carried at the end of his life and perhaps contributing to his suicide. A literary biography with the soul of an espionage thriller, Writer, Sailor, Soldier, Spy is an essential contribution to our understanding of the life, work, and fate of one of America's most legendary authors. *William Doyle

Soldiers Once and Still-Alex Vernon
2007-08-15 As the world enters a new century, as it embarks on new wars and sees new developments in the waging of war, reconsiderations of the last century’s legacy of warfare are necessary to our understanding of the current world order. In Soldiers Once and Still, Alex Vernon looks back through the twentieth century in order to confront issues of self and community in veterans’ literature, exploring how war and the military have shaped the identities of Ernest Hemingway, James Salter, and Tim O’Brien, three of the twentieth century’s most respected authors. Vernon specifically explores the various ways war and the military, through both cultural and personal experience, have affected social and gender identities and dynamics in each author’s work. Hemingway, Salter, and O’Brien form the core of Soldiers Once and Still because each represents a different warring generation of twentieth-century America: World War I with Hemingway, World War II and Korea with Salter, and Vietnam with O’Brien. Each author also represents a different literary voice of the twentieth century, from modern to mid-century to postmodern, and each presents a different battlefield experience: Hemingway as noncombatant, Salter as air force fighter pilot, and O’Brien as army grunt. War’s pervasive influence on the individual means that, for veterans-turned-writers like Hemingway, Salter, and O’Brien, the war experience infiltrates their entire body of writing—their works can be seen not only as war literature but also as veterans’ literature. As such, their entire postwar oeuvre, regardless of whether an individual work explicitly addresses the war or...
the military, is open to Vernon’s exploration of war, society, gender, and literary history. Vernon’s own experiences as a soldier, a veteran, a writer, and a critic inform this enlightening critique of American literature, offering students and scholars of American literature and war studies an invaluable tool for understanding war’s effects on the veteran writer and his society.

The Complete Works of Ernest Hemingway. Illustrated-Ernest Hemingway 2021-09-16
Ernest Hemingway was an American novelist, short-story writer, journalist, and sportsman. His economical and understated style—which he termed the iceberg theory—had a strong influence on 20th-century fiction, while his adventurous lifestyle and his public image brought him admiration from later generations. Hemingway’s writing includes themes of love, war, travel, wilderness, and loss. Hemingway often wrote about Americans abroad. He was awarded the 1954 Nobel Prize in Literature for "his mastery of the art of narrative, most recently demonstrated in The Old Man and the Sea, and for the influence that he has exerted on contemporary style. **Bloom's how to Write about Ernest Hemingway**-Kim Becnel 2008-10-01 A guide to writing about the fiction of Ernest Hemingway offers instructions for composing different types of essays and contains literary criticism, analysis, and suggested essay topics for individual works.

**Green Hills of Africa**-Ernest Hemingway 2014-05-22 There are some things which cannot be learned quickly, and time, which is all we have, must be paid heavily for their acquiring. They are the very simplest things, and because it takes a man's life to know them the little new that each man gets from life is very costly and the only heritage he has to leave. In the winter of 1933, Ernest Hemingway and his wife Pauline set out on a two-month safari in the big-game country of East Africa, camping out on the great Serengeti Plain at the foot of magnificent Mount Kilimanjaro. “I had quite a trip,” the author told his friend Philip Percival, with characteristic understatement. Green Hills of Africa is Hemingway's account of that expedition, of what it taught him about Africa and himself. Richly evocative of the region's natural beauty, tremendously alive to its character, culture, and customs, and pregnant with a hard-won wisdom gained from the extraordinary situations it describes, it is widely held to be one of the twentieth century's classic travelogues.

**Adolphe Gouhenant**-Paula Selzer 2019-10-15 Adolphe Gouhenant tells the story of artist, revolutionary, and early North Texas resident Francois Ignace (Adolphe) Gouhenant (1804-1871). Born at the dawn of the Romantic era, Gouhenant traveled from a small village near the foothills of the Alps to France's second largest city, where he built a monument to the arts and sciences atop Lyon's famous Fourvière Hill. His wildly ambitious schemes landed him in court and ultimately devastated him financially. Participating in clandestine revolutionary organizations, Gouhenant organized a secret meeting under the guise of a Masonic banquet and was later imprisoned for conspiracy against the monarchy. Aligning himself with the early communist movement, Gouhenant advocated for workers' rights and was selected by well-known Icarian communist Etienne Cabet to lead an advance guard on a treacherous journey across the Atlantic to settle a utopian colony in North Texas. Despite broken wagons, severe weather, and lack of food, he navigated overland from New Orleans in 1848 to establish a small settlement in Denton County. The community, beset by hardships, ultimately scapegoated Gouhenant and accused him of being a French agent deliberately sent to lead the group to destruction into the wilds, and for this "treason" they shaved his head and beard and expelled him from the colony (which collapsed shortly thereafter). Gouhenant then journeyed to Fort Worth to teach the federal soldiers French and art, and next to Dallas where he founded the town's first arts establishment in the 1850s. He set up shop as a daguerreotypist and photographed the town’s early residents. His Arts Saloon was the scene of many exhibitions and dances but ultimately became the high stake in a nasty battle among Dallas’s leading citizens, setting legal precedent for Texas homestead law. Gouhenant's death in a freak railroad accident left behind mysterious claims that contribute one last chapter to this amazing man’s story.

**The Hemingway Short Story**-Robert Paul Lamb 2013-01-02 In The Hemingway Short Story: A Study in Craft for Writers and Readers, Robert Paul Lamb delivers a dazzling analysis of the craft of this influential writer. Lamb scrutinizes a selection of Hemingway's exemplary stories to illuminate the author's methods of construction and to show how craft criticism complements and enhances cultural literary studies. The Hemingway Short Story, the highly anticipated sequel to Lamb's critically acclaimed Art Matters: Hemingway, Craft, and the Creation of the Modern Short Story, reconciles the creative writer's focus on art with the concerns of cultural critics, establishing the value that craft criticism holds for all readers. Beautifully written in clear and engaging prose, Lamb's study presents close readings of representative Hemingway stories such as "Soldier's Home," "A Canary for One," "God Rest You Merry, Gentlemen," and "Big Two-Hearted River." Lamb's examination of "Indian Camp," for instance, explores not only its biographical contexts -- showing how details, incidents, and characters developed in the writer's mind and notebook as he transmuted life into art -- but also its original, deleted opening and the final text of the story, uncovering otherwise unseen aspects of technique and new
terrains of meaning. Lamb proves that a writer is not merely a site upon which cultural forces contend, but a professional in his or her craft who makes countless conscious decisions in creating a literary text. Revealing how the short story operates as a distinct literary genre, Lamb provides the meticulous readings that the form demands -- showing Hemingway practicing his craft, offering new inclusive interpretations of much debated stories, reevaluating critically neglected stories, analyzing how craft is inextricably entwined with a story's cultural representations, and demonstrating the many ways in which careful examinations of stories reward us.

**For Whom the Bell Tolls**-Ernest Hemingway
2021-03-12 For Whom The Bell Tolls opens in May 1937, at the height of the Spanish Civil War. An American man named Robert Jordan, who has left the United States to enlist on the Republican side in the war, travels behind enemy lines to work with Spanish guerrilla fighters, or guerrilleros, hiding in the mountains. The Republican command has assigned Robert Jordan the dangerous and difficult task of blowing up a Fascist-controlled bridge as part of a larger Republican offensive. A peasant named Anselmo guides Robert Jordan to the guerrilla camp, which is hidden in a cave. Along the way, they encounter Pablo, the leader of the camp, who greets Robert Jordan with hostility and opposes the bridge operation because he believes it endangers the guerrilleros’ safety. Robert Jordan suspects that Pablo may betray or sabotage the mission.

**The Book Thief**-Markus Zusak 2007-12-18 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE’S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can’t resist-books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today DON’T MISS BRIDGE OF CLAY, MARKUS ZUSAK’S FIRST NOVEL SINCE THE BOOK THIEF.

**Faces of Union Soldiers at South Mountain and Harpers Ferry**-Matthew Borders

**The Red Convertible**-Louise Erdrich
2021-11-16 Three decades of short fiction by one of the most innovative and exciting writers of our day In Louise Erdrich's fictional world, the mystical can emerge from the everyday, the comic can turn suddenly tragic, and violence and splendor inhabit a single emotional landscape. The fantastic twists and leaps of her imagination are made all the more meaningful by the deeper truth of human feeling that underlies them. These thirty-six short works selected by the author herself—including five previously unpublished stories—are ordered chronologically as well as by theme and voice, each tale spellbinding in its boldness and beauty. The Red Convertible is a stunning literary achievement, the collected brilliance of a fearless and inventive writer.

**The Autobiography of Miss Jane Pittman**-Ernest J. Gaines 2012-10-24 “This is a novel in the guise of the tape-recorded recollections of a black woman who has lived 110 years, who has been both a slave and a witness to the black militancy of the 1960's. In this woman Ernest Gaines has created a legendary figure, a woman equipped to stand beside William Faulkner’s Dilsey in The Sound And The Fury." Miss Jane Pittman, like Dilsey, has ‘endured,’ has seen almost everything and foretold the rest. Gaines' novel brings to mind other great works The Odyssey for the way his heroine’s travels manage to summarize the American history of her race, and Huckleberry Finn for the clarity of her voice, for her rare capacity to sort through the mess of years and things to find the one true story in it all." -- Geoffrey Wolff, Newsweek. "Stunning. I know of no black novel about the South that excludes quite the same refreshing mix of wit.
and wrath, imagination and indignation, misery and poetry. And I can recall no more memorable female character in Southern fiction since Lena of Faulkner’s Light In August than Miss Jane Pittman.” -- Josh Greenfeld, Life

Stoicism-St. George Stock 1908

Ernest Hemingway-James M. Hutchisson 2016-08-03 To many, the life of Ernest Hemingway has taken on mythic proportions. From his romantic entanglements to his legendary bravado, the elements of Papa’s persona have fascinated readers, turning Hemingway into such an outsized figure that it is almost impossible to imagine him as a real person. James Hutchisson’s biography reclaims Hemingway from the sensationalism, revealing the life of a man who was often bookish and introverted, an outdoor enthusiast who revered the natural world, and a generous spirit with an enviable work ethic. This is an examination of the writer through a new lens—one that more accurately captures Hemingway’s virtues as well as his flaws. Hutchisson situates Hemingway’s life and art in the defining contexts of the women he loved and lost, the places he held dear, and the specter of mental illness that haunted his family. This balanced portrait examines for the first time in full detail the legendary writer’s complex medical history and his struggle against clinical depression. The first major biography of Hemingway in over twenty years, this monumental achievement provides readers with a fresh, comprehensive look at one of the most acclaimed authors of the twentieth century.

The Hemingway Stories-Ernest Hemingway 2021-03-02 A new collection showcasing the best of Ernest Hemingway’s short stories including his well-known classics, as featured in the magnificent three-part, six-hour PBS documentary by Ken Burns and Lynn Novick—introduced by award-winning author Tobias Wolff. Ernest Hemingway, a literary icon and considered one of the greatest American writers of all time, is the subject of a major documentary by award-winning filmmakers Ken Burns and Lynn Novick. This intimate portrait of Hemingway—who brilliantly captured the complexities of the human condition in spare and profound prose, and whose work remains deeply influential in literature and culture—interweaves a close study of biographical events with excerpts from his work. The Hemingway Stories features Hemingway’s most significant short stories in chronological order, so viewers of the film as well as fans old and new can follow the trajectory of his impressive life and career. Hemingway’s beloved classics, such as “The Short and Happy Life of Francis Macomber,” “Up in Michigan,” “Indian Camp,” and “The Snows of Kilimanjaro,” are accompanied by fresh insights from renowned writers around the world—Mario Vargas Llosa, Edna O’Brien, Abraham Verghese, Tim O’Brien, and Mary Karr. Tobias Wolff’s introduction adds a new perspective to Hemingway’s work, and Wolff has selected additional stories that demonstrate Hemingway’s talent and range. The power of the Ernest Hemingway’s revolutionary style is perhaps most striking in his short stories, and here readers can encounter the tales that created the legend: stories of men and women in love and in war and on the hunt, stories of a lost generation born into a fractured time. This collection is a perfect introduction for a new generation of Hemingway readers and a vital volume for any fan.

Ernest Hemingway, Robert Young "Soldier's Home"-Ulrich Rösner 1985

All Quiet on the Western Front-Erich Maria Remarque 2013-09-03 Considered by many the greatest war novel of all time, All Quiet on the Western Front is Erich Maria Remarque’s masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of
sorrow... This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another... if only he can come out of the war alive. “The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure.”—The New York Times Book Review

**Sun Also Rises**-Ernest Hemingway 2014-05-22

Published in 1926 to explosive acclaim, The Sun Also Rises stands as perhaps the most impressive first novel ever written by an American writer. A roman à clef about a group of American and English expatriates on an excursion from Paris's Left Bank to Pamplona for the July fiesta and its climactic bull fight, a journey from the center of a civilization spiritually bankrupted by the First World War to a vital, God-haunted world in which faith and honor have yet to lose their currency, the novel captured for the generation that would come to be called “Lost” the spirit of its age, and marked Ernest Hemingway as the preeminent writer of his time.

**The Sergeants Major of the Army**- 2010

**Men Without Women**-Ernest Hemingway 2014-05-22

First published in 1927, Men Without Women represents some of Hemingway's most important and compelling early writing. In these fourteen stories, Hemingway begins to examine the themes that would occupy his later works: the casualties of war, the often uneasy relationship between men and women, sport and sportsmanship. In “Banal Story,” Hemingway offers a lasting tribute to the famed matador Maera. “In Another Country” tells of an Italian major recovering from war wounds as he mourns the untimely death of his wife. “The Killers” is the hard-edged story about two Chicago gunmen and their potential victim. Nick Adams makes an appearance in “Ten Indians,” in which he is presumably betrayed by his Indian girlfriend, Prudence. And “Hills Like White Elephants” is a young couple's subtle, heart-wrenching discussion of abortion. Pared down, gritty, and subtly expressive, these stories show the young Hemingway emerging as America's finest short story writer.
