**Equity (law) - Wikipedia**

Equity is a particular body of law that was developed in the English Court of Chancery. It exists in domestic law, both in civil law and in common law systems, and in international law. The tradition of equity begins in antiquity with the writings of Aristotle (epieikeia) and with Roman law (aequitas). Later, in civil law systems, equity was integrated in the legal rules, while in ...

Mar 16, 2021 · A new application generally needs to be submitted by the resident and assessed on a case by case basis. Cancellation of a RO PML A person that was issued with a private mooring licence based on the resident only provisions is not eligible to retain the licence if their residency status changes ie they sell the dwelling or are no longer a tenant

United States antitrust law - Wikipedia
In the United States, antitrust law is a collection of mostly federal laws that regulate the conduct and organization of business corporations and are generally intended to promote competition and prevent monopolies. The main statutes are the Sherman Act of 1890, the Clayton Act of 1914 and the Federal Trade Commission Act of 1914. These Acts serve three major functions.
